50.0 mm — MEASURE THIS FIRST

If this bar is not exactly 50.0 mm the printer scaled the page,
and nothing else here can be trusted.

- solid black — cut line — the finished card
- dashed blue — fold — score, do not cut
- dotted red — safe area — keep type inside
- dashed grey — bleed — run art out to here (3 mm)

Norelco cases vary by brand. Cut one, fold it, try it in a real case
before printing a batch.
